Mike Gutierrez will pursue the update of the valario software.

New dates for the state shoot were discussed and at this time the dates that are being considered are July 20-22 and July 27-29.

The CSSA board is going to reach out to all clubs in Colorado with skeet ranges to see if we can generate more registered shoots for 2018.

Weld county submitted their dates for 2018.

August 12/13 North Platte Nebraska will be holding a Colorado/Nebraska shoot. The board would like to look into the possibility of holding a tri state shoot, Colorado/Nebraska/Wyoming, shoot as well.

Randy Gutierrez suggested a Facebook page for CSSA. It was pointed out that one exists but is not managed. Randy volunteered to pursue taking that page over and keeping shooters up to date via Facebook.

The board discussed new ways to bring in shooters to the association. Some examples were, to advertise on the radio through Terry Wickstrum to promote shoots, holding skeet shoots in the afternoon of sporting clays events to try and attract a few of those shooters and local hunter type class shoots.
